PHƯƠNG VĂN CHÍ

Front-End Web & MOBILE DEVELOPER

I am constantly learning and improving my programming knowledge to develop professionally. I enjoy learning new technologies and can work effectively in both teams and individually. I wish to work in a professional, dynamic environment with colleagues, to contribute to the development of the organization as well as the development of my career path. I will try my best to learn in-depth skills in Front-End Web & Mobile programming to develop my capacity, aiming for the position of Senior Front-End Web & Mobile Developer in the next 3 years.
